

A LEVEL

One-Year Programme

FKCS 2018-2019

ADMISSIONS REQUIREMENTS

At least 5 different academic GCSE/IGCSE/Ordinary level subjects including:

- B or higher in Maths
- B or higher in Science, Combined Science, Chemistry and/or Physics
- B or higher in English

PROGRAMME PURPOSE

This programme is designed for students who are highly motivated and academically strong. This is a one-year intensive study programme to prepare students for Business, Engineering, Science and general arts programmes at universities such as the University of Toronto. Students may be recognized for advanced standing at certain universities. Students should finish the programme with a B or higher in each syllabus in order to be competitive for admission.

THE PROGRAMME

Students will prepare for three A levels during their academic year. The syllabus of study will be composed of the following subjects and prepare students for the following examinations:

**QUESTION
THE
ANSWER**

PHYSICS 9702

Paper 1 – Multiple Choice
Paper 2 – AS Level Structured Questions
Paper 3 – Advanced Practical Skills
Paper 4 – A Level Structured Questions
Paper 5 – Planning, Analysis and Evaluation

CHEMISTRY 9701

Paper 1 – Multiple Choice
Paper 2 – AS Level Structured Questions
Paper 3 – Advanced Practical Skills
Paper 4 – A Level Structured Questions
Paper 5 – Planning, Analysis and Evaluation

MATHEMATICS 9709

Paper 1 – Pure Mathematics 1
Paper 3 – Pure Mathematics 3
Paper 4 – Mechanics 1
Paper 6 – Probability and Statistics 1

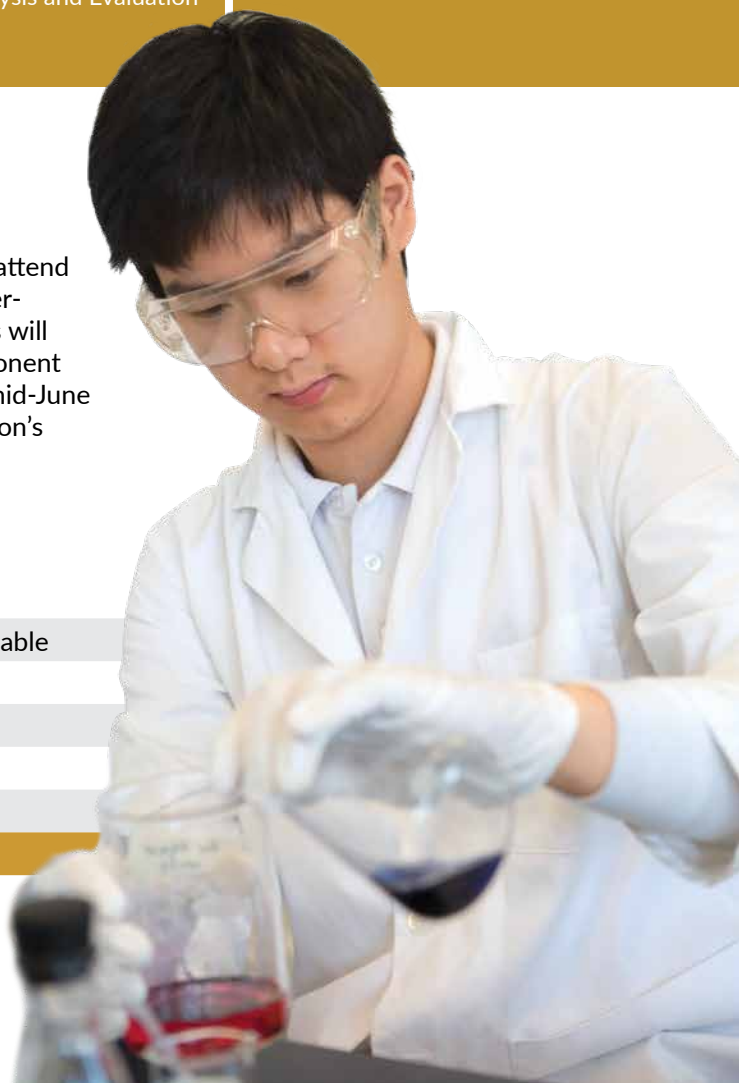

PROGRAMME EXPECTATIONS

This is an intensive study programme. Students are expected to attend all classes, complete all course work assignments and attend after-school tutorials to work on problem sets. Practice Exam sessions will also be provided to prepare students for the exam writing component of the programme. Exams will be written between late-April to mid-June in accordance with Cambridge Assessment International Education's Examination Timetable.

PROGRAMME FEES

Application Fee	\$250	Non-refundable
Tuition Fee	\$24,035	
Activity & Exam Fees	\$770
